

1.75" ID MULTI-PURPOSE TEC-360™ CLAMP

Part of the **Next Generation** of Tec-Clamps™, the patented **TEC-360™ CLAMP** (US Patent D794440) is a versatile, heavy duty clamp with an integrated 360° swivel. The **TEC-360™ CLAMP** swivel top allows for the clamp to rotate freely while in service which prevents binding, tangling, interlocked tender kit springs, and stress on connection points.

Highly corrosion resistant and durable, the **TEC-360™ CLAMP** provides steady and dependable performance in extreme application environments.

Part No. 360175ST

Stk. Code 47458

**Common Applications
May Include Suspending:**

- Hydraulic Hoses
- Wrapped Tractor-Trailer Connections
- Bundles of Hose, Cable, and Tubing
- Suction and Discharge Hoses

Weight Limit: 100 lb

Stainless steel Speed Clip for quick and easy installation

Swivel feature allows for 360° rotation in either direction - No Binding!

Heavy duty polymer body with integrated hinge provides superior strength and high performance

Wide clamp profile effectively distributes the load

Color coded bottom half for fast size identification

Innovative and highly-secure aluminum locking clasp can be opened and closed by hand for installation and adjustment - No tools needed; **CLAMP. LOCK. GO.**
