

AirPower Line

All-in-One Connection Solution

TECTRAN invented the AirPower Line to solve snagging and damage of straight connection lines for users who prefer not to use coiled lines.

Fully factory-assembled, our AirPower Line combines all of the best features of our rubber air hose and ABS cable assemblies into one convenient bundle that installs in minutes.

- All-in-One
- Fully Assembled
- Fast Installation
- Protective Spiral Wrap

TECTRAN
Solutions for Transportation Equipment

The ORIGINAL

All 3-in-One AirPower Lines contain:

- Two 3/8" ID SAE J1402 rubber air lines. Available in black or red/blue color-coded hose
- ABS performance power line with **WeatherSeal™** meets stringent SAE J2222 requirements
- Premium red and blue **FLEXGrip-HD™** with all brass fittings, on the trailer leads provide hose protection during gladhand connections
- All brass **LIFESwivel™** swivel fittings on the tractor ends make for easy one-wrench installation
- Non-Corrosive, thermo-elastomeric, color-coded, tractor side Bend Restrictors prevent kinking during sharp turns
- **AirPower Line TEC-CLAMP™** on all 3-in-One assemblies
No tools needed - **CLAMP. LOCK. GO.**

3-in-ONE

Part No.	Stk Code	Length
169087	22017	8 ft.
169107	22026	10 ft.
169127	22032	12 ft.
1691357	23400	13.5 ft.
169157	22041	15 ft.
169207	22047	20 ft.

4-in-ONE

Part No.	Stk Code	Length
169104	22025	10 ft.
169124	22031	12 ft.
169154	22040	15 ft.
169204	22046	20 ft.
