

# TEC-CLAMP™ - MULTI-PURPOSE

The patented **TEC-CLAMP™** (patent D794,439) is a versatile, heavy duty clamp that is available in a variety of sizes and configurations. No tools are required to open and close the clamp so installation and adjustment are quick and simple.

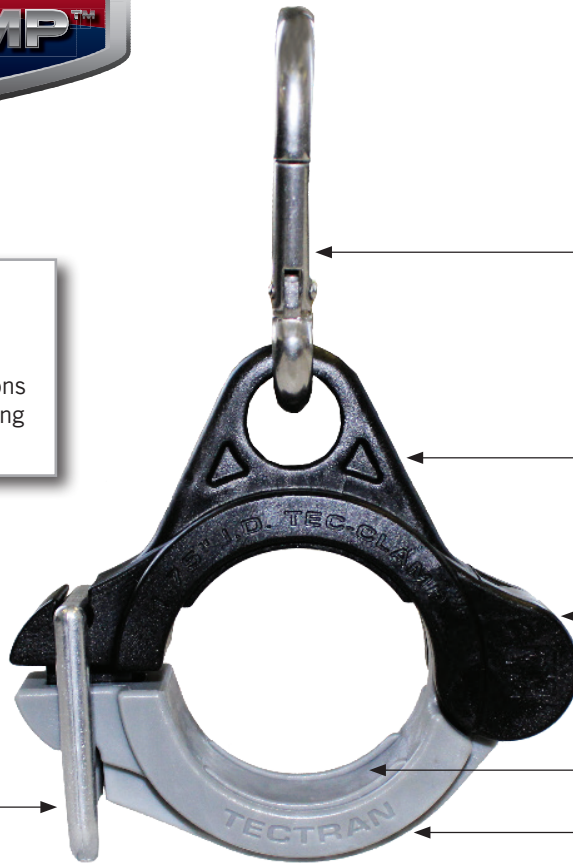

Highly corrosion resistant and durable, the **TEC-CLAMP™** provides steady and dependable performance in extreme application environments.

1.50" Clamp with common 100R4 hydraulic hose

**Common Applications  
May Include Suspending:**

- Hydraulic Hoses
- Wrapped Tractor-Trailer Connections
- Bundles of Hose, Cable, and Tubing
- Suction and Discharge Hoses

Stainless steel clip for easy installation

Rugged composite body holds up in extreme application environments

The clamp hinge is fully integrated into the housing for maximum durability

Wide clamp profile distributes the load

Color coded bottom half for fast identification

Innovative and secure clasp can be opened and closed by hand with **NO TOOLS REQUIRED**

Clamps are sized by inside diameter so the correct clamp can be easily selected for each application

Clamp ID	Part No.	Stk. Code	Color
1.25"	98125ST	47369	Green
1.50"	98150ST	47356	Maroon
1.75"	98175ST	47358	Gray
2.00"	98200ST	47371	Blue
2.25"	98225ST	47440	Orange
2.50"	98250ST	47443	Brown
2.75"	98275ST	47446	Black

**Weight Limit:** 100 lb **Torque Limit:** 5 lb-ft
