

# TENDER KIT with TEC-CLAMP™

Securing tractor/trailer connection lines just got even easier! Tectran's new 3 hole **TEC-CLAMP™** is now available on our Tender Kit products. Simply lock in your lines and go! No tools or hardware needed for fast, easy installations! Versatile design can be used with both rubber air hose or coiled tubing connections.

- Superior strength and high performance in the most extreme application environments
- Heavy duty clamp design
- Corrosion resistant composite body
- Quick guide installation instructions embossed on clamp body
- Red "power" tab provides maximum application versatility
- Easy to use aluminum locking clasp - No tools needed!
